The Secretary,

Dear Sir:-

Mr. L. P. McCully whose address in this city is 11438 - 88-A Street, has referred to me your communication of the 21st ult., in which you say that a report has been received from the Department of Soldiers' Civil Re-establishment, relative to his ability to carry out his settlement duties on his homestead.

I am in the employ of the Dept. of S. C. R., and I am not permitted to give Mr. McCully the certificate which is required by the Regmt of Instruction Locale in this city, as your letter goes on to state. I have attended another member of Mr. McCully's family, and I examined his case time ago for the department. I am writing to you as his own Medical Advisor.

The last record of his examination by the pensions board does not bear out the statement conveyed in the first paragraph of your letter, indeed it gives quite the contrary impression. I can scarcely quote to you the contents of his file in the local office, but I am sure you will find a duplicate of the last medical opinion if you refer to the Head Office of the pensions branch.

I hope you feel perfectly free to quote this letter of mine to the D.S.C.R. since I would not wish to depart from the courtesy which I owe them, even in explaining to you the possibility that an injustice may be done to this ex-soldier.

Yours sincerely,

H. Burton Logie

In reply to your communication of the 3rd ultimo re the mentally ill, letter of [illegible] Julie M.D. has been dealt with [illegible] anything on [illegible] form filled out under date of 11/4 22. Section 4 calls that man must be protected in the ordinary labour market to an extent of 50% or one-half. but is no market set out will be more than 4 half days work every day in the year, or that he must only work at a light job if he exceeds to [illegible] on full time. Section 6 - "not necessarily" means that man may live on a farm and supervise the work and possibly do much of the lighter work of a farm.

2. [illegible] as I understand the patent papers call for so much work to be done on a section within a year, no matter how long it, only necessitating the recipient living on it for so much time per year. To be out in the open country would be an excellent place for any tubercular patient provided he is able to [illegible] other things necessary for his own daily comfort and sustenance, and according to medical information on file, [illegible] in this case.

3. The fact that [illegible] last medical examination [illegible] was granted Pen. - 752, class VI. Pension was [illegible] into consideration in making this decision.

Memorandum:

Request for transfer of Dominion Lands under Section 27 of the Soldier Settlement Act.

Re: A. Boulter,
N.W.¼ 6-23-2 W.4th - Hsd.
N.E.¼ 6-23-2 W.4th - S.G.

The above described lands were secured by this settler under homestead and soldier grant entries. The settler has made default in the terms of his agreement with the Board and abandoned the land. His agreement has been rescinded.

The settler was established with a loan in March, 1919, and in due course secured advances from the Board amounting to $2,951.26, as follows: permanent improvements, $1,000; stock and equipment, $1,160.32; special advances, $790.94. As security the Board holds a charge on the settler's homestead and soldier grant. There is no other land security in this case.

In the fall of 1925, settler wrote a letter to the Board stating that he had decided to give up his farm. He stated that poor years coupled with his incapacity compelled him to do so as he was getting further in the hole and asked that his stock and equipment be disposed of. He moved to Calgary and later to the Coast. A letter written to him in October 1928, to his address in Vancouver was forwarded to Belfast, Ireland, and has been returned marked "Uncalled for". Thirty Day Notice was served on settler on 14th March, 1929, to which no defence was filed.

The settler's indebtedness amounts to $2,975.04. The half section was appraised sometime ago as a unit at $1,543. No arrangements have been made for the disposal of this land and no offers have been received. This farm is reported as being very poor and can only be considered as a grazing proposition.

The land in question being charged land within the meaning of Section 27 of the Soldier Settlement Act, and the settler being in default with respect to the terms and conditions of his agreement made with the Board, it is hereby requested that the right, title and interest of the said settler in the above land be forfeited and the said right, title and interest of the settler and also the right, title and interest of His Majesty to and in the said charged land be vested in the Board.

The Board has an effective charge on the land under the recent amendment to Section 24 of the Act, as all the advances referred to in the second paragraph hereof were made to the settler subsequent to his entry for his homestead and soldier grant.

A Vesting Order for signature is attached hereto.

Sir:

I beg to acknowledge the receipt of your statement of the 9th ultimo, filed in defence of the cancellation proceedings outstanding against your soldier grant entry, No. [illegible] of section 7, township 22, range 2, west of the 4th meridian.

In reply I may say that according to the evidence on file here it would appear that you have held this entry since the 16th of August, 1918, and that you have done nothing thereon in the way of settlement duties. Therefore, your entry is seriously in default as regards actual residence and cultivation and if you wish to retain same it will be necessary for you to furnish the Agent of Dominion Lands at Lethbridge the satisfactory evidence, in the form of a statutory declaration, within 30 days from this date, that you are in residence on your land with the intention of remaining there and completing the unfulfilled duties. Should you not be heard from within the time allowed it may be found necessary to carry out cancellation.

Re: S.E. ¼ of 7-23-2 W.4th Mer.

Will you kindly visit the above described land and report as to the value of the improvements thereon on the 12th inst., upon which date Mr. Ray Debolt obtained Soldier Grant entry therefor. This man claims that the only improvements are, about 7 acres which were broken in the spring of 1919 and which has gone back to grass as it was not cultivated nor prepared for crop and a poor job was made of the breaking, and he does not wish to have to pay for this breaking as the man who is backsetting it is charging regular breaking prices on it.

The previous entrant in abandoning his entry for this land stated there was 5 acres of breaking, value $30.00, about 325 post holes on three sides of this quarter section, value $50.00, and a shack 10x14, value $100.00 on this land.

Gentlemen,

Ref of 7-11-2. M. 4th M.

I beg to acknowledge the receipt of your communication of the 5th ultimo written on behalf of Mr. H. F. Meltzre in connection with the value of the improvements he claims to have left on his former homestead and soldier grant entries for the above described land.

In reply, I may say that a homestead Inspector valued the improvements on the South East quarter of this Section at $15.00 when re-entry was granted for same, and the present entrant has been requested to remit the amount of the homestead Inspector's valuation.

With respect to the South East quarter of section 7, I may state that the Dept of Dominion Lands at Lethbridge has instructed a Homestead Inspector to visit this land and report as to the value of the improvements thereon when re-entry was granted for same, but before Mr. Meltzre could secure a refund of any of the moneys collected for improvements, it will be necessary for him to forward here receipts from the proper parties showing his school and municipal taxes paid up to the date of the cancellation of his entries, namely the 31st May, 1910.

I beg to acknowledge your letter of the 6th instant enclosing copy of departmental letter of the 1st idem (your purpose in so doing not being apparent at present) and in reply would say the submission here of the original letter from the Deputy Minister of Municipal Affairs for the Province of Alberta to the effect that there are no arrears of taxes against the half-section above mentioned, will be accepted as evidence that there are no municipal taxes outstanding against the land.

However, before the matter of the disbursement of the moneys collected for improvements can be disposed of the Department will require evidence that there are no school taxes outstanding against the land as due and payable by the former entrant, Mr. A.M. McIntyre.

Your Reference - 89515.

I beg to return herewith the application for patent of Mr. Ray Debolt for his soldier grant above described, which accompanied your communication of the 15th instant, and to point out that witness Emil Lorentson has not answered question No. 11 which reads: Have you any interest, direct or indirect, in this application?

Inspector Bowyer in his report dated the 8th instant states that Mr. Lorentson is located a considerable distance from Mr. Debolt's soldier grant but he explained that he was a frequent visitor to Mr. Debolt's place all the time he was in residence and well acquainted with all the circumstances in connection with the duties performed.

It would appear that the witness in question resided within nine miles of the entrant's land and if he is in a position to execute a statutory declaration to the effect that he has no interest, direct or indirect, in Mr. Debolt's application for patent same could be accepted. Otherwise it will be necessary to procure the evidence of a fresh witness.

Patented Soldier Grant.

I beg to acknowledge receipt of your letter of the 4th ultimo, stating that you wish to secure another soldier grant and in reply may say that under the regulations it is not possible for you to obtain another quarter-section of Dominion Land in this way.

If you have not yet taken up a homestead on Dominion Land, there would appear to be no reason why you should not homestead on a vacant and available quarter-section. If, however, you have already held a homestead you should forward here a description of it by section, part of section, township, range and meridian, and you will be definitely advised whether you are entitled to take up a second homestead.

Enclosed herewith is a handbook which contains a summary of the homestead regulations. In 1924 an amendment was made to the Dominion Lands Act which permitted this Department to allow second homesteads to those settlers who took up their first homesteads in what is known as the "Dry Area," i.e., that portion south of the south boundary of Township 31, in the old Provisional Judicial District.

Patented Soldier Grant.

I beg to acknowledge receipt of your letter of the 11th ultimo and in reply may say that under an amendment made to the Dominion Lands Act in 1925 the privilege of a second free homestead is extended to those settlers who took up homesteads and obtained patent for same prior to the 1st January, 1913, in what is known as the "Dry Area" in southern Saskatchewan and Alberta, i.e., that portion south of the south boundary of Township 31 in the old pre-emption and purchased homestead tract. The main points of the amendment are explained on page 8 of the enclosed "Hand-book".

As you appear to have obtained a Certificate of Approval from the Provincial Authorities at Edmonton you may now select one vacant and available quarter-section outside the "Dry Area" as specified in the amendment to the Act and make application to the Agent of Dominion Lands for the district in which the land is located to have it reserved for you. If the Agent is aware of no reason to the contrary he will reserve the land in your favour. You will then require to furnish this Department with satisfactory evidence as soon as possible in the shape of Abstracts of Title showing that you have been divested of all interest in your patented homestead and Soldier grant and any other land holdings (excepting town property) which you may have in the said "Dry Area". Upon your furnishing this evidence you will be given permission to again appear before the Agent and make formal application for entry for the land selected.

I might add that there is no provision under which you can recover your land holdings in the "Dry Area" to the Crown. It will be necessary for you to furnish evidence that you have disposed of all your inter in such lands and that they stand in the name of some o person or persons but not in the name of the Crown or i

I beg to acknowledge receipt of your letter of the 5th instant and in reply am to say that a settler who is eligible to take up a second homestead under the terms of the amendment made to the Dominion Lands Act in 1925, must take up his homestead outside the boundaries of the "Dry Area" and I regret to inform you that your request to be permitted to select your second homestead inside the "Dry Area" cannot be entertained.

Your obedient servant,

J. [illegible]

Secretary.

R. L. Debolt, Esq.,
Coderre,
Saskatchewan.

22nd February, 1927.

Dear Mr. Ross,-

I return herewith the letter from Mr. M.L. Debolt of Coderre, Saskatchewan, dated the 6th ultimo. Mr. Debolt received patent for his homestead, S.E.¼ 23-14-1, W.3rd M., in 1915. He then took up the S.E.¼ 7-23-2, W.4th M., as a soldier grant and received patent in March, 1925.

Mr. Debolt recently wrote the Department stating that he had been informed by the Department of Agriculture at Edmonton that he could take up another quarter section. He enclosed a Certificate of Approval from the Province of Alberta as required by Section 2, 13-14 George V., Chapter 44, (copy attached).

On the strength of this Certificate Mr. Debolt is entitled, under the arrangement with the Province of Alberta, to secure a homestead on vacant and available Dominion Lands North of Township 31, but he wants to homestead where he is now farming.

I might say that, as you are no doubt aware, strong representations were made in past years that settlers in the southern parts of Saskatchewan and Alberta had experienced repeated crop failures on account of climatic conditions and that they desired to move to other districts where the prospects for an adequate return for their labours seemed to be more assured.

Encls. 3.

J. Gordon Ross, Esq., M.P.,
House of Commons,
Ottawa.

Regulations.....

Regulations were accordingly adopted by Order-in-Council of the 9th May, 1923, (copy attached) under which a settler south of the south boundary of Township 31 in the old pre-emption area could, upon furnishing a Certificate of Approval from the Province, select a quarter section outside the so-called "Dry Area".

In conjunction with this Order-in-Council the amendment of 1925 already mentioned was passed authorizing the granting of homestead entry under certain conditions to settlers approved by the Provincial Authorities. It is, however, the basis of the arrangement with the Province that the settlers so approved shall remove to another district. The whole object is to give a man a new start under new conditions, and one of the provisions of the arrangement is that a man taking advantage of this legislation must satisfy us that he has divested himself of all his real property in the "Dry Area".

If Mr. Debolt is satisfied to remain where he is, the provisions of the Order-in-Council do not apply to his case.

Yours very truly,

Acting Deputy Minister.

OTTAWA, 27th June, 1928.

Sir,-

S.E. ¼ Sec. 23 Tp. 14 Rge. 1 West 3 Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Re: Account of Ray Debolt
S.E. 7-23-2-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1922 seed grain amounting to $89.80 was advanced to Ray Debolt on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

Principal	Interest	Total
$ 89.80	$ 188.63	$ 278.43

The S.E. 7-23-2-W4 was formerly the homestead entry of the debtor on which security he obtained an advance of seed grain in 1922.

According to an Abstract of Title dated the 31st of October 1952, the land is now registered in the name of a Mr. Willis McLeanna, clear of any encumbrance, and there is no record of the 1922 lien having ever been registered.

As the lien was never registered against the land and there is no further security for our advance, it is recommended that the indebtedness be cancelled.

C.W. Gilchrist.

The above named settler having advanced from the Board [illegible], the Board taking a charge upon his [illegible] homestead and pre-emption above described. [illegible] to such charge patent to the homestead and soldier grant of lands to the settler until his indebtedness to the Board has been fully discharged.

We are now in receipt of an application from Mr. Young requesting that patent to his homestead and soldier grant should be issued in favour of the Board. Mr. Young states that he has completed the duties in connection with his homestead and soldier grant and would be entitled to receive patent therefor were it not for our charge. This is confirmed by the letters from the Secretary of the Department to the settler dated the [illegible] day of [illegible], 1920, copies of which are attached hereto.

In order to enable a settler to negotiate a sale of land in cases of this character, regulations were promulgated by the Board and approved by the Governor in Council on the 4th day of June, 1920 (P.C. 1121), which enables the Minister, on the application of the settler and on the request of the Board, to vest the settler's right, title and interest in the unpatented land held by him in the Board, title remaining in the Board until the settler's indebtedness to it has been repaid. Under the provisions of these Regulations, the Board hereby requests that the right, title and interest of His Majesty in the [illegible] shall be vested in the Soldier Settlement Board. The [illegible] Order covering same is attached hereto for the Minister's signature.

Respectfully submitted,

ADDRESS OFFICIAL COMMUNICATIONS TO

C. K. LeCapelain, Chief
Lands Division
Dept. of Resources and Development
Ottawa, Ontario

Dear Sir:

One Herbert A. Traxler, born at Austin, Michigan, on February 1, 1884, has advised that he homesteaded in Western Canada about 1923 or 1924, and that his homestead patent was registered at Edmonton, Alberta, but that he never became a citizen of Canada. The records of the Registrar of Canadian Citizenship confirm the fact that the subject was never naturalized in Canada.

It is our understanding that homestead patent could not be legally granted except upon evidence of Canadian citizenship and if this is so, it appears that Mr. Traxler's statements are contradictory. It is possible, however, that the homestead patent in question was actually obtained by the subject's Canadian born wife, Mrs. Eleanor Traxler. We do not have a description of the homestead location.

It will be appreciated if you will notify this office whether your records contain any reference to the homestead patent alleged to be registered at Edmonton and if so, whether it is in the name of Herbert Traxler or of his wife. Any information which may be available concerning the citizenship of the patent holder will be appreciated.

Very truly yours,

Arthur H Mac Gregor

Arthur L. MacGregor, Esq.,
The Foreign Service of the
United States of America,
Ottawa, Ontario.

Dear Sir:

I have your letter of the 6th of September, 1933, relative to your enquiry as to the citizenship status of one Herbert A. Traxler who obtained letters patent bearing date the 17th of March, 1934, for the Northwest quarter of Section Twelve, Township Fifty-six, Range Seven, west of the Fourth Meridian, Sangudo, Alberta. The patent was registered at Edmonton, Alberta.

Our records indicate that one Herbert Alexander Traxler, in his sworn statement dated the 10th of January, 1934, in support of his application for patent for the said land, gave his age as 40 years. He also stated that (1) he was a British subject at that time (2) that he had always been one and (3) that he was a British subject by birth.

However, when he applied for entry on the 22nd of September, 1920, he gave as his Country of Birth, United States of America, and Sub-division of Country of Birth, Michigan.

The homestead patent was granted in the name of Herbert Alexander Traxler in the belief that the sworn statement in support of his application was true. All we can state is that he did not obtain Canadian Citizenship by naturalization.

Yours very truly,

C.F. LaChelain
Chief, Lands Division.

OTTAWA - December 1st, 1924.

THE HONOURABLE CHARLES STEWART,
Minister of the Interior,
O t t a w a.

MEMORANDUM:

Request for Transfer of Dominion Lands.

Re: E. H. Rigden, #16154.
N.E.¼ 25-28-18-W.4th M. - Hd.
S.E.¼ 25-28-18-W.4th M. - S.G.

The above named settler secured advances from the Board for Permanent Improvements and Stock and Equipment totalling $2500., the Board taking a charge upon his unpatented homestead and soldier grant above described. Owing to such charge, patent to the homestead and soldier grant cannot be issued to the settler until his indebtedness to the Board has been fully discharged.

We are now in receipt of an application from Mr. Rigden requesting that patent to his homestead and soldier grant should be issued in favour of the Board. Mr. Rigden states that he has completed all duties in connection with his homestead and soldier grant and would be entitled to receive patent therefor were it not for our charge. This is confirmed by the letters from the Secretary of the Department to the settler dated the 21st November, 1924, copies of which are attached hereto.

In order to enable a settler to negotiate a sale of land in cases of this character, special Regulations were promulgated by the Board as approved by the Governor in Council on the 4th day of June, 1921, (P.C.1821), which enables the Minister, on completion of duties by the settler and on the request of the Board, to vest the settler's right, title and interest in the unpatented land held by him in the Board, title remaining in the Board until the settler's indebtedness to it has been repaid. Under the provisions of these Regulations, the Board hereby requests that the right, title and interest of His Majesty in the E.½ of 25-28-18-W.4th M. be vested in the Soldier Settlement Board. The Vesting Order covering same is attached hereto for the Minister's signature.

Respectfully submitted.

Certified to be a true copy of a Minute of a Meeting of the Committee of the Privy Council, approved by His Excellency the Governor General on the 10th September, 1918.

The Committee of the Privy Council have had before them a Report, dated 20th August, 1918, from the Minister of the Interior, representing that under the provisions of section 6 of the Soldier Settlement Act, Chapter 128 of the Revised Statutes of Canada, 1927, the Minister of the Interior was empowered, at the request of the Soldier Settlement Board of Canada, to reserve, or, with the approval of the Governor in Council, to transfer to the said Board, any Dominion Lands under his administration;

That by Order in Council of the 30th October, 1918, P.C. 2659, further provision was made in the case of particularly valuable Dominion Lands becoming available for the purpose, that such lands be set apart for soldier settlement, to remain specially reserved for disposition later, as may be deemed proper with the approval of the Governor in Council;

That in pursuance of the foregoing, certain parcels of land, described in the annexed schedule, have from time to time been placed under the administration of the said Board, and have been disposed of under regulations framed by the Board and approved by the Order in Council of the 12th March, 1918, P.C.443; and

That application has now been made for the issue of title thereto in the name of the Board;

The Minister, therefore, recommends that title to the lands described in the schedule attached hereto, comprising an area of 25,550.03 acres, be transferred to the Soldier Settlement Board of Canada in the right of the Dominion, subject to the usual reservations with regard to mines, minerals, water rights and springs.

The Committee concur in the foregoing recommendation and submit the same for approval.

The Committee of the Privy Council have had before them a Report, dated 20th August, 1918, from the Minister of the Interior, representing that under the provisions of section 6 of the Soldier Settlement Act, Chapter 12 of the Revised Statutes of Canada, 1917, the Minister of the Interior was empowered, at the request of the Soldier Settlement Board of Canada, to reserve, or, with the approval of the Governor in Council, to transfer to the said Board, any Dominion Lands under his administration;

That by Order in Council of the 30th October, 1918, P.C. 2659, further provision was made in the case of particularly valuable Dominion Lands becoming available for the purpose, that such lands be set apart for soldier settlement, to remain specially reserved for disposition later, as may be deemed proper with the approval of the Governor in Council;

That in pursuance of the foregoing, certain parcels of land, described in the annexed schedule, have from time to time been placed under the administration of the said Board, and have been disposed of under regulations framed by the Board and approved by the Order in Council of the 12th March, 1918, P.C. 643; and

That application has now been made for the issue of title thereto in the name of the Board;

The Minister, therefore, recommends that title to the lands described in the schedule attached hereto, comprising an area of 25,550.53 acres, be transferred to the Soldier Settlement Board of Canada in the right of the Dominion, subject to the usual reservations with regard to mines, minerals, water rights and springs.

The Committee concur in the foregoing recommendation and submit the same for approval.

File #3-1231. Canada. OTTAWA, JUL 9 1928

Memorandum -

Request for Title under Order in Council of the 4th June, 1921, where duties completed by soldier settler.

Re. William J. Tatem, (deceased)
S.E.¼ 21-28-16-W.4th M. (S.G.)

The above-described land is unpatented soldier grant of the above-named deceased settler.

Subsequent to the initial loan approved in his favour on the 29th November, 1918, the settler secured advances from the Board totalling $2998.10, as follows: $2028.10; for stock and equipment, $970.00 for permanent improvements. As security, the Board holds a charge on the settler's soldier grant. In addition the Board holds first mortgage on the settler's privately-owned land, the S.W.¼ 20-29-16-W.4th M. and also a charge on the settler's re-emption, the S.E.¼ 19-29-16-W.4th M.

The settler before his death expressed a desire to have title to his soldier grant issued in the name of the Board, and executed the usual request in writing. The letter from the Acting Commissioner of Dominion Lands to the Settler dated the 7th December, 1926, approves his application.

The regulations approved by the Governor in Council on the 4th June, 1921, P.C. 1411, enable the Minister, on the completion of duties by the settler and on the request of the Board to vest the settler's right, title and interest in the unpatented Dominion land held by him in the Board, title remaining in the Board until the settler's indebtedness thereto repaid. Such transfer of title also enables the settler to negotiate a sale of the land with the view to repaying the loan he has obtained from the Board.

As stated above, the settler is now deceased, and it is desired to have title issued in the name of the Board. The legal representatives are not residing on the land, but it is understood the deceased left a will and the matter of probating the will is receiving the attention of the representatives of the estate.

Under the provisions of the regulations referred to the Board hereby requests that the right, title and interest of His Majesty in the S.E.¼ 21-28-16-W.4th M. be vested in the Soldier Settlement Board.

The Board has an effective charge on the land in question under the recent amendment to Section 19 of the Act, as $1670.10 of the advances made to this settler were made after the date of his entry for the soldier grant.

A Vesting Order for signature is attached hereto.

W.W. Cory, Esq., C.M.G.,
Deputy Minister of the Interior,
O t t a w a.

Chairman.

TO WHOM IT MAY CONCERN:

WHEREAS William J.Tatem,(now deceased) who was a "settler" within the meaning of the Soldier Settlement Act,1919, and who held under entry a parcel of Dominion lands,namely, the S.E.¼ 21-26-16 W.4th Meridian, on which a charge has been imposed, constituted or created under the said Act, had complied with the conditions of his entry to entitle him to receive Letters Patent for the said land but for the charge imposed against it as aforesaid;

AND WHEREAS, pursuant to an application made by the said William J.Tatem (now deceased), the Soldier Settlement Board of Canada has requested the Minister to transfer the said land to the Board to be dealt with by it in accordance with the regulations approved by the Governor in Council on the 4th day of June,1921,P.C.1621;

WITNESSETH that the undersigned, pursuant to the powers and authorities conferred upon him by the said regulations approved by the Governor in Council on the 4th day of June,1921, P.C.1621, declares the right,title and interest of His Majesty in the said land,except mines and minerals, whether solid,liquid or gaseous, to be vested in The Soldier Settlement Board of Canada.

Certified to be a true copy of a Minute of a Meeting of the Committee of the Privy Council, approved by His Excellency the Governor General on the 10th September, 1928.

The Committee of the Privy Council have had before them a Report, dated 20th August, 1928, from the Minister of the Interior, representing that under the provisions of section 6 of the Soldier Settlement Act, Chapter 13? of the Revised Statutes of Canada, 1927, the Minister of the Interior was empowered, at the request of the Soldier Settlement Board of Canada, to reserve, or, with the approval of the Governor in Council, to transfer to the said Board, any Dominion Lands under his administration;

That by Order in Council of the 30th October, 1918, P.C. 2659, further provision was made in the case of particularly valuable Dominion Lands becoming available for the purpose, that such lands be set apart for soldier settlement, to remain specially reserved for disposition later, as may be deemed proper with the approval of the Governor in Council;

That in pursuance of the foregoing, certain parcels of land, described in the annexed schedule, have from time to time been placed under the administration of the said Board, and have been disposed of under regulations framed by the Board and approved by the Order in Council of the 12th March, 1920, P.C. 543; and

That application has now been made for the issue of title thereto in the name of the Board;

The Minister, therefore, recommends that title to the lands described in the schedule attached hereto, comprising an area of 25,550.83 acres, be transferred to the Soldier Settlement Board of Canada in the right of the Dominion, subject to the usual reservations with regard to mines, minerals, water rights and springs.

The Committee concur in the foregoing recommendation and submit the same for approval.

Certified to be a true copy of a Minute of a Meeting of the Committee of the Privy Council, approved by His Excellency the Governor General on the 10th September, 1924.

The Committee of the Privy Council have had before them a Report, dated 29th August, 1922, from the Minister of the Interior, representing that under the provisions of section 6 of the Soldier Settlement Act, Chapter 13 of the Revised Statutes of Canada, 1927, the Minister of the Interior was empowered, at the request of the Soldier Settlement Board of Canada, to reserve, or, with the approval of the Governor in Council, to transfer to the said Board, any Dominion Lands under his administration;

That by Order in Council of the 30th October, 1918, P.C. 2659, further provision was made in the case of particularly valuable Dominion Lands becoming available for the purpose, that such lands be set apart for soldier settlement, to remain specially reserved for disposition later, as may be deemed proper with the approval of the Governor in Council;

That in pursuance of the foregoing, certain parcels of land, described in the annexed schedule, have from time to time been placed under the administration of the said Board, and have been disposed of under regulations framed by the Board and approved by the Order in Council of the 12th March, 1920, P.C.[illegible]; and

That application has now been made for the issue of title thereto in the name of the Board;

The Minister, therefore, recommends that title to the lands described in the schedule attached hereto, comprising an area of 25,[illegible]0.03 acres, be transferred to the Soldier Settlement Board of Canada in the right of the Dominion, subject to the usual reservations with regard to mines, minerals, water rights and springs.

The Committee concur in the foregoing recommendation and submit the same for approval.

The Committee of the Privy Council have had before them a Report, dated 20th August, 1916, from the Minister of the Interior, representing that under the provisions of section 6 of the Soldier Settlement Act, Chapter 12 of the Revised Statutes of Canada, 1927, the Minister of the Interior was empowered, at the request of the Soldier Settlement Board of Canada, to reserve, or, with the approval of the Governor in Council, to transfer to the said Board, any Dominion Lands under his administration;

That by Order in Council of the 30th October, 1916, P.C. 2659, further provision was made in the case of particularly valuable Dominion Lands becoming available for the purpose, that such lands be set apart for soldier settlement, to remain specially reserved for disposition later, as may be deemed proper with the approval of the Governor in Council;

That in pursuance of the foregoing, certain parcels of land, described in the annexed schedule, have from time to time been placed under the administration of the said Board, and have been disposed of under regulations framed by the Board and approved by the Order in Council of the 12th March, 1917, P.C. 463; and

That application has now been made for the issue of title thereto in the name of the Board;

The Minister, therefore, recommends that title to the lands described in the schedule attached hereto, comprising an area of 25,550.63 acres, be transferred to the Soldier Settlement Board of Canada in the right of the Dominion, subject to the usual reservations with regard to mines, minerals, water rights and springs.

The Committee concur in the foregoing recommendation and submit the same for approval.

APP. FOR SOLDIER GRANT.

The Soldier Settlement Board.

Canada.

S.S.B. File 3-186.

O t t a w a,
6th January, 1920.

The Honourable Charles Stewart,
Minister of the Interior,
O t t a w a.

Sir,

Re: Request for Transfer of Dominion Lands.

M. T. Clapham, Mc.[illegible].
S.E.¼ 35-28-18-4.4th M. - Hsd.
N.E.¼ 35-28-18-4.4th M. - S.S.B.

The above named settler secured advances from the Board for improvements, stock and equipment totalling $3500, the Board taking a charge upon his unpatented homestead as soldier grant above described. Until the homestead and soldier grant shall be released from such charge, patent to the homestead and soldier grant cannot be issued to the settler until his indebtedness to the Board has been fully liquidated.

We are now in receipt of Mr. Clapham's request that patent to his homestead and soldier grant should be issued in favour of the Board. Mr. Clapham states that he has completed all duties in connection with his homestead and soldier grant and would be entitled to receive patent therefor were it not for our charge. This is confirmed by the letters from the Secretary of the Department to the settler, dated the 6th January, 1920.

In order to enable a settler to negotiate a sale of land in case of this character, special Regulations were promulgated by the Board and approved by the Governor in Council on the 4th day of June, 1921, (P.C.1221), which empower the Minister, on completion of duties by the settler and on the request of the Board, to vest the settler's right, title and interest in the land granted him herein in the Board, title remaining in the Board until the settler's indebtedness to it has been repaid. Under the provisions of these Regulations, the Board hereby requests that the right, title and interest of His Majesty in the N.E.¼ 35-28-18-4.4th M. be vested in the Soldier Settlement Board. The Vesting Order covering same is attached hereto for the Minister's signature.

Respectfully submitted,

Chairman

THE SOLDIER SETTLEMENT BOARD
CANADA

TO WHOM IT MAY CONCERN:

WHEREAS it is provided by the Regulations for the transfer of certain lands to the Board where settlement duties completed, approved by the Governor in Council on the 4th day of June, 19--, (P.C.1921), that in the event of a settler who holds any Land on which a charge has been placed, constituted or created by or under the Soldier Settlement Act, 1919, or the former Act, cannot fulfill with the conditions of his entry to entitle him to receive Letters Patent for the land but for the charge, the Letters Patent as aforesaid, the Minister, at the request of the Board, may transfer to the Board the Land so held by the settler;

AND WHEREAS A. T. Clapham is a settler within the meaning of the Soldier Settlement Act who holds the S.E. 1/4 3-29-18-W.4th M.;

AND WHEREAS The Soldier Settlement Board of Canada has requested the Minister to transfer the said land to the Board;

NOW THEREFORE the undersigned, pursuant to the powers and authorities conferred upon him by the said Section 21 of the Regulations for the transfer of certain lands to the Board where settlement duties completed, as approved by the Governor in Council on the 4th day of June, 19 21, (P.C.1921), declares the right, title and interest of His Majesty in the said land except mines and minerals, whether solid, liquid or gaseous to be vested in the Board.

The Soldier Settlement Board

File #3-2490.

Memorandum -

Canada. OTTAWA, October 13th, 1928.

Request for Title under Order in Council of the 4th June, 1921, where duties completed by soldier settler.

Re. Francis W.Y. Wootton,
N.E.¼ 27-28-18-W.4th M. {Hsd.
S.E.¼ 27-28-18-W.4th M. {S.G.

The above-described land is the unpatented homestead and soldier grant of this settler.

The settler qualified for loan on the 23rd April, 1921, and in due course received advances from the Board totalling $1950.32, as follows: stock and equipment, $1757.37; permanent improvements, $192.95. As security the Board holds a charge on the settler's homestead and soldier grant. The Board holds no other land security in connection with this case.

The Board is informed that the settlerhas completed the duties in connection with his homestead and soldier grant and would be entitled to receive patent for the land but for the Board's charge. This is confirmed by the letters from the Secretary of the Department of the Interior to the settler dated the 29th August, 1927, and from the Acting Commissioner of Dominion Lands, Department of the Interior, dated the 26th September, 1928.

The regulations approved by the Governor in Council on the 4th June, 1921, P.C. 1821, enable the Minister of the Interior, on completion of duties by the settler and on the request of the Board, to vest the settler's right, title, and interest in the unpatented Dominion land held by him in the Board, title remaining in the Board until the settler's indebtedness has been repaid. Such transfer of title also enables the settler to negotiate a sale of the land with the view to repaying the loan he has obtained from the Board.

The settler has requested that title to the land in question be issued to the Board. There is nothing on file to show that he contemplates discontinuing his farming enterprise. However, the settler desires to have title issued as aforesaid in order that it may be held by the Board as security for the advances granted, and in order to be in a position to negotiate a sale should he decide to do so at a future date.

Under the provisions of the regulations referred to the Board hereby requests that the right, title and interest of His Majesty in the N.E.¼ 27-28-18-W.4th M. and the S.E.¼ 27-28-18-W.4th M. be vested in the Soldier Settlement Board.

This request for title is not affected by the recent amendment to Section 2[illegible] of the Soldier Settlement Act, as the advances referred to in the second paragraph hereof were approved and made to the settler subsequent to his having obtained entry on the land in question.

A Vesting Order for the Minister's signature is attached hereto.

W.W. Cory, Esq., C.M.G.,
Deputy Minister of the Interior,
O t t a w a.

Chairman.

TO WHOM IT MAY CONCERN:

AND WHEREAS pursuant to an application made by the said Francis W.Y.Wootton, who is residing on the said land, the Soldier Settlement Board of Canada has requested the Minister of the Interior to transfer the said land to the Board to be dealt with by it in accordance with the regulations approved by the Governor in Council on the 4th day of June,1921, P.C.1821:

The Secretary,
Department of the Interior for Canada,
Ottawa, Ont.

Dear Sir,

re Henry Ha__ooten, [illegible]:

I beg to acknowledge your letter of the 16th inst., re the above homestead grants to the above named man, and in reply to advise you that he was first admitted to this Hospital on November 1, 1918, in a state of exaltation. He was discharged on probation on April 6, 1920, and probationary supervision being deemed satisfactory, he was discharged on November 4, 1920, as improved.

He was next admitted on new committal on November 2, 1925, again in a state of excitement and restlessness. He was discharged on probation into the care of his parents on September 10, 1926, his condition having settled down very materially during his residence in Hospital.

The psychosis from which this man suffers strongly tends to a recurrence, and will require periods of prolonged hospital care from time to time. His health will, undoubtedly, interfere very materially with his ability to go on land and pursue his work there steadily.

Yours truly,

(Sgd) H. J. Steeves.

Ottawa, 24th February, 1947.

TO HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL.

The undersigned has the honour to report that on the 6th May, 1918, Henry Newton Scotton of Calgary was granted a homestead entry for the South West quarter of Section 34, Township 28, Range 10, West of the 4th Meridian, under the provisions of the Dominion Lands Act, and on the 2nd July, 1918, he obtained an entry as a soldier grant for the South East quarter of the said Section 34, under the provisions of the Soldier Settlement Act.

Mr. Scotton is a former member of the Canadian Expeditionary Force who incurred disabilities on active service for which, subsequent to his discharge, he was granted pension at the rate of ten per cent, which was continuous to 1940 when pension was increased to thirty per cent. According to medical evidence (copy annexed) Mr. Scotton was admitted to the Provincial Mental Hospital at Edmonton, Alta., in November 1919, and underwent treatment until April 1940 when he was discharged on probation. He was again committed to hospital in November 1940 for further observation and treatment, being discharged in September 1946.

By reason of his mental condition it appears that Mr. Scotton has performed no actual residence on his homestead or soldier grant, but according to evidence submitted an area of 110 acres has been brought under cultivation by his brother, Mr. F.A.F.Scotton, who is himself the holder of a half-section in the vicinity; that is to say, the duties other than residence appear to have been completed.

Under the circumstances, the undersigned has the honour to recommend under the provisions of subsection 2 of section 47 of the Dominion Lands Act in the case of the homestead, and under the provisions of the Order in Council of the 23rd May, 1941 (P.C. No. 1471) in the case of the soldier grant, that Your Excellency in Council so order and direct remission of the residence duties on the part of Henry Newton Scotton in respect to such entries, and that he be granted letters-patent for the land on proof of the performance of the other conditions of law; subject, however, to repayment of the loan advanced to him under the provisions of the Soldier Settlement Act.

Respectfully submitted,

Minister of the Interior

SYNOPSIS TO ACCOMPANY MEMORANDUM
TO J. CHILL DATED 24th F...Y, 19.7.

Ottawa, 24th February, 1927.

Re S.S.L. 34-26-1..., W.4th M.
Homestead - 6th May, 191...

S.S.L. 34-...-16. W.4th M.
Soldier grant - ... July, 1918.
Entries of Henry Newton Cotton.

Henry Newton Cotton is a returned man, who was discharged in 1919 with a disability rated at ten per cent., as a result of wounds and shell-shock incurred on active service. In 1920 pension was increased to thirty per cent.

Mr. Cotton is suffering from mental trouble, the effect of his experiences on active service, and he has been warned by his physician not to attempt the more or less arduous duties inseparable from the life of an agriculturalist.

Apart from residence conditions, it appears that the necessary improvements have been performed on the land by F.H.F. Cotton of Calgary, a brother of the entrant, who is himself the holder of a half-section in the vicinity.

Under the circumstances, and in view of the report of the Medical Superintendent of the Provincial Mental Hospital at Ponoka, Alta., it is proposed to waive the residence duties in connection with the homestead and soldier grant, and grant Mr. Cotton patent on proof of the other conditions of entry, subject, however, to repayment of the loan advanced to him under the soldier settlement act which constitutes a charge against the half-section.

39[illegible].

24th of November, 1[illegible].

Sir:-

I beg to acknowledge receipt of your letter of the 7th inst., in which you make application for a second homestead, and in reply I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting to settlers who have obtained entry for the first homestead entitled thereto on or before the 1st January, 1908, the right to make a second homestead entry on the usual homesteading terms.

According to the evidence on file you obtained entry for the S.E.¼ 10-75-10-W. 6th M. in July, 1910, and received patent for same in September, 1913. As you did not perform sufficient duties prior to the 1st of January, 1915, to entitle you to patent prior to that date, I regret to have to inform you that there is no means under the existing legislation by which you can be granted the privilege of second homestead.

Your obedient servant,

Acting Commissioner of Dominion Lands.

[illegible] note particularly in this connection that a settler who has lost his patented homestead but who still holds an unpatented pre-emption in the Province, is not allowed to secure two quarter sections, but one only. This is the practice of the Department [illegible] upon prior to the date at which the order in Council of the 5th May last, came into effect.

It therefore remains with Mr. Young to [illegible] as quickly as possible one of two things:-

(1) [illegible] convey to the Crown in the light of the decision of Canada as represented by the Minister of the Interior his patented homestead (North East quarter 8, Township 2, Range 12, West of the 4th Meridian), free of all encumbrance, and at the same time execute a declaration of abandonment of his unpatented pre-emption (South East quarter of the same section). If so done this will give him the benefit of the order in Council of the 31st October, 1912, and he will get two quarter sections, one to be patented to him free, upon the performance of six months residence and 10 acres breaking, and the other to be earned by him in the same way as he would have had to earn his present pre-emption.

6th January, 1914.

Dear Mr. Bowley,

I have your letter of the 24th ultimo, on behalf of Mr. Alfred Young of Lendonbrook, Alberta, who is an applicant for the benefits of the Order in Council of the 1st October, 1912, relating to the Board of Settlers.

This case was recently brought to the attention of the Department by Mr. [illegible] Brown of Edgerly, Alberta, acting Secretary of the United Farmers of Alberta, and on the 15th ultimo we wrote Mr. Coleman fully.

As stated in your letter, Mr. Young will be given the benefits of the Order in Council of the 1st October, 1912, and if he can reconvey his patented homestead to the Crown free of encumbrance and will, at the same time, execute an abandonment of his unpatented pre-emption, he will be granted two quarter sections, one of which will be patented to him upon the performance of six months residence and 10 acres of breaking, the other to be earned and paid for by him in the same way as he would have had to earn and pay for his present pre-emption.

On the other hand, if Mr. Young cannot reconvey his patented homestead free of encumbrance, he may secure one quarter section as an ordinary homestead, subject to the performance of three years settlement duties thereon.

In order that you may have exact information as to the present position of this case, I am enclosing you a copy of the letter which was addressed to Mr. Coleman on the 15th ultimo, which sets forth in detail the alternatives of which Mr. Young may avail himself under the Order in Council of the 1st October, 1912.

Hon. George Bowley,
Minister of Agriculture,
Edmonton, Alberta.

Yours very truly,

Deputy Minister.

Secretary,

Department of the Interior,

Ottawa, Ontario.

Dear Sir:- Re Elijah Lumely, homesteader
Fr S.W.33-73-7-5th

I homesteaded the N.W.28-73-7-5th and have my Patent therefor. During the course of my homestead duties I purchased the Fractional S.W.33-73-7-5th, 97 acres and paid two quarterly payments thereon and now have to my credit upwards of $30.00 for timber dues paid in respect of timber taken off my homestead. These dues were paid upon the condition that they would be refunded after the patent had been given for my homestead. That having now been done the amount is at my credit in the Department and is more than sufficient to pay the balance due upon the Fractional S.W.33. I apprehend that I would be entitled to the refund at the time when I was recommended for Patent for my homestead and that interest on the balance due on the Fractional quarter section would cease from and after

4722232

that date.

I am now desirous of having the Patent issued for the Fractional S.W.33 and the refund to me of the balance over and above the amount required to pay out therefor. If for any reason credits coming to me in respect of dues has not been transmitted to your Department, you will no doubt be able to obtain same by reference to the Timber Branch. Please let me hear from you at as early a date as possible and oblige

Yours truly,

COMMISSIONER

Mr. Ferrar,

[illegible]
Secretary - Soldier Settlement Board,
Returned Soldiers Commission,
Ottawa.

[illegible] account submitted on the 11th January, [illegible], on account of work carried out in the last December, [illegible], was originally left. He wishes to have it dealt with without further delay on the ground of disability. It seems to me that he can have anything in the way of [illegible] and he can enter subsequent to enlistment that he would not count as resistance.

The claim was submitted by Mr. Thompson in his memorandum of the 11th inst., and it was stated that the entire [illegible] to three months' wages.

The matter was taken up with the Medical Officer, who found that he suffers from valvular disease of the heart, which gives him very little physical discomfort in his ordinary work. He thinks that he could not pay for two months' work. Mr. Lemay in March last examined another patient, and his report reads in part as follows:

"Fully developed man - 34 yrs, slightly overweight, heart enlarged to the left. Apex beat in the 5th inter space outside nipple line.
Heart sounds regular, 1st sound at apex short. No murmurs heard - aortic and pulmonary sounds normal. After a few waffs of Amyl Nitrite a short presystolic murmur is brought out.
B. P. 140 - 70.
Slow in getting - after 5 minutes 7 times 111. Two minutes 9 times. In 3 min. returns to [illegible]
No complaint of [illegible] shortness of breath at rest - with palpitation - can walk a mile without [illegible] fatigue. His condition to-day is apparently good and his tolerance to exercise is good. From the past history of acute rheumatic fever, his past heart condition and his present examination to-day we are of the opinion that he could not carry on with much hard work.

At.....

At this time the case was delayed for several months through the loss of the file.

A report has recently come to hand from the Board of Pension Commissioners which shows that Private Lemay is suffering from V. D. H. contracted on active service in France, that the disability is permanent and the percentage 40%. The statement also sets out that the disability is such as would render the homesteader unfit for farming.

It is estimated that as this man's disability would prevent him from performing the duties in person, patent might not issue under Section [illegible] of the Dominion Lands Act.

The Soldier Settlement Board permits no application from Mr. Lemay.
